

**NGO "Ukrainian Association of Ultrasound Diagnostics Specialists  
(UAUDS)"**

Scientific and practical conference with international participation  
«The Newest technologies of Ultrasound and Doppler diagnostics»

October 10-11, 2019, Kyiv, Ukraine  
Cinema House, Kyiv, Saksaganskogo str., 6

**PROGRAMME**

<b>October 10, 2019</b>		
	<b>Registration of participants. Opening Ceremony</b>	<b>Exhibition of US equipment.</b>
	Introductory Address by UAUDS President Dynnyk OB	
<b>9.00-9.20</b>	<b>Plans for 2020. Changes in ARU / UAUDS activities.</b>	<b>Dynnyk OB</b> , UAUDS President, Kyiv
	<b>Plenary meeting General ultrasound</b>	
<b>9.30- 10.15</b>	<b>Elastography of diffuse liver disease. 30 min.</b> (sequential translation Fedusenko AA. Jr. (Odessa)).	<b>Ioan Sporea</b> , Professor of Gastroenterology, Victor Babes University of Medicine and Pharmacy of Timisoara. The representative WFUMB/EFSUMB. (Romania)
<b>10.15- 11.00</b>	<b>The use of contrast enhanced ultrasound (CEUS) in the diagnosis of focal lesions of the liver. 30 min.</b> (sequential translation Fedusenko AA. Jr. (Odessa)).	<b>Ioan Sporea</b> , Professor of Gastroenterology, Victor Babes University of Medicine and Pharmacy of Timisoara. The representative WFUMB/EFSUMB. (Romania)
<b>11.00- 11.15</b>	<b>Shear wave elastography of the skin</b>	<b>Dynnyk OB</b> , Chief of “Institute of elastography”, Kyiv
<b>11.15- 11.30</b>	<b>Break</b>	
<b>11.30- 12.00</b>	<b>GIUS. European Guidelines for Ultrasound Diagnosis of the diverticular disease</b>	<b>Zhaivoronok MM.</b> , radiologist, Medical Center “Doctor Vera” (Kyiv), Kushnerov AI. (Belarus), Dynnyk OB (Kyiv), Fedusenko AA.( Zaporizhzhia).
<b>12.00- 12.00</b>	<b>Liver Package – a new era in ultrasound of the liver by Canon. Lecture and demonstration.</b>	<b>Wesam Ibrahim</b> , Busines Development Manager Canon Medical Systems Europe BV
<b>12.30- 13.00</b>	<b>Transrectal prostate biopsy using the technique MRI-US FUSION - use of</b>	<b>Solodovnik OV</b> , radiologist, “Dobrobut” Medical Center, Kyiv, lecture and master

	<b>the method, technique, master class (on the phantom), clinical cases</b>	class
	<b>Break</b>	
<b>US School of Mammology</b>		
<b>14.00-14.45</b>	<b>Multiparametric ultrasound examination in the diagnosis of the breast focal lesions</b>	<b>Сердюк В.О.</b> , PhD, Head of the US Department of the Kyiv City Clinical Endocrinology Center
<b>14.45-15.15</b>	<b>Ultrasonography of hyperechogenic breast focal lesions: a multiparametric approach</b>	<b>Fedusenko AA.</b> PhD, radiologist, Medical Center “Doctor Lakhman” ( Zaporizhzhia), Dynnyk OB , Zhaivoronok MM. (Kyiv), Makarova Zh.M. ( Zaporizhzhia), Fedusenko AA. Jr. (Odessa).
<b>15.15-15.30</b>	<b>The role of automated ultrasound scanning technology (Invenia ABUS) in the early diagnosis of breast cancer</b>	<b>Dobryakova EA</b> , Head of General US Diagnostics, Company GE Healthcare
<b>15.30-16.15</b>	<b>Comprehensive diagnostics and minimally invasive treatment of the breast intra-ductal pathology</b>	<b>Aksenov OA</b> , PhD, mammologist, “Dobrobut” Medical Center, Kyiv
<b>16.15-16.30</b>	<b>Break</b>	
<b>16.30-17.00</b>	<b>Multimodal imaging of the breast focal lesions</b>	<b>Galishina GO</b> , Radiologist, Specialized Mammology Center, Kyiv
<b>17.00-17.45</b>	<b>Principles of breast ultrasound after plastic surgery</b>	<b>Cuba MK</b> , surgeon, mammologist of KP "Rivne Regional Antitumor Center", Rivne
<b>17.45-18.15</b>	<b>Radiology diagnostics of breast diseases. Future</b>	<b>Chyrkov YE</b> , PhD, Leading specialist of the Ukrainian Scientific and Practical Center of Endocrine Surgery, Transplantation of Endocrine Organs and Tissues of the Ministry of Health of Ukraine, Kyiv
<b>October 11, 2019</b>		
	<b>Cardio-vascular section</b>	
<b>9.00-9.45</b>	<b>Unusual observations and complex diagnostic cases in the study of vessels</b>	<b>Globa MV</b> , Professor, Romodanov’ Institute of Neurosurgery NAMS of

	<b>of the head and neck</b>	Ukraine, Kyiv
<b>9.45-10.15</b>	<b>Functional transcranial dopplerography in differential diagnosis of headache</b>	<b>Kalashnikov VY</b> , PhD, Associate Professor, Kharkiv Medical Academy of Postgraduate Education, Kharkiv
<b>10.15-11.15</b>	<b>Current approach to the assessment of left ventricular myocardial hypertrophy, left ventricular physiological hypertrophy, atherosclerotic changes of peripheral arteries in young patients</b>	<b>Kovalevska OA</b> , PhD, Leading specialist of the Ukrainian Scientific and Practical Center of Endocrine Surgery, Transplantation of Endocrine Organs and Tissues of the Ministry of Health of Ukraine, Kyiv, lecture and master class.
<b>11.15-11.30</b>	<b>Break</b>	
<b>11.30-12.30</b>	<b>Modern masks of infectious endocarditis: the question of Echocardiography</b>	<b>Smirnova GS</b> , PhD, Associate Professor, Shupik' National Medical Academy of Postgraduate Education, Kyiv, lecture and master class.
<b>12.30-12.45</b>	<b>Break</b>	
<b>12.45-13.45</b>	<b>Current aspects of the practical use of myocardial deformity analysis in cardiology</b>	<b>Molodan OV</b> , PhD, Zaporizhzhia, lecture and master class.
<b>13.45-14.15</b>	<b>Break</b>	
<b>14.15-14.45</b>	<b>Modern methods of treatment of varicose veins disease of the lower extremities</b>	<b>Gooch AO</b> , Professor, Shalimov' Institute of Surgery and Transplantatology NAMS of Ukraine, Kyiv
<b>14.45-15.00</b>	<b>Endovenous treatment of pelvic plethora</b>	<b>Bobrova AO</b> , surgeon, Shalimov' Institute of Surgery and Transplantatology NAMS of Ukraine, Kyiv
<b>15.00-15.45</b>	<b>Variability of hemodynamic disorders in varicose veins of the lower extremities</b>	<b>Ryabinskaya OS</b> , PhD, Zaitsev' Institute of general ang urgent surgery, Kharkiv, lecture and master class.
<b>15.45-16.00</b>	<b>Break</b>	
<b>16.00-16.15</b>	<b>Practical experience of using SWE as an addition method for the evaluation of thrombosis of the deep vein system</b>	<b>Bekalo IS</b> , radiologist, Clinica "Intosana", Secretary for International relations of UAUDS, Odessa

	<b>of the lower extremities</b>	
<b>16.15-17.15</b>	<b>Practical application of US Doppler for norma and pathology of the lower extremities with clinical cases</b>	<b>Novikova GA</b> , sonologist doctor, Center of radiology diagnostics, Kharkiv, lecture and master class.
